Searching for a topic.

This is for Charlie Kirk. Especially the shooting at UVU on Sept 10th, 2025. The goal is to research the specified topic search X posts

- Need as much information as possible. If it is 20 pages long, then that is fine. Focus on as many claims of facts or analysis that are specific. Or theories.
- Find everything for that topic. I'll put the results as markdown file.
- Finding results in X Posts is good, but also search the internet.
- Include the source on where it was found.
- The format of a source should be on the same line at the end.

Example sources:

- X happened on June 13th, 2025. [Source: X Post. <https://x.com/@foo/post32/>]
- Y happened on April 13th, 2025. [Source: Article. <https://artcilefoo.com/@foo/post32/>]
- Z happened on Sept 13th, 2025. [Source: YouTube Video. <https://x.com/@foo/post32/>]
- Output the results that are factual claims.
- Look for a file in the directory
~/Dropbox/Code/act3/charlie-kirk/blog/Research/
- Try to find a file that matches the name of this TOPIC.
Include a new file if one doesn't exist.

- Make these files markdown file formats with a file extension ".md"  **Expert**     
- Work on making a bullet point per factual claim. Include the source at the end of that bullet line.
