Attorneys for Tyler James Robinson

IN THE FOURTH JUDICIAL DISTRICT COURT, PROVO DEPARTMENT
IN AND FOR THE COUNTY OF UTAH, STATE OF UTAH

STATE OF UTAH, Plaintiff, vs. TYLER JAMES ROBINSON, Defendant.	MOTION FOR PERMISSION TO FILE OVER-LENGTH: MOTION TO EXCLUDE STILL PHOTOGRAPHERS, TV CAMERAS AND MICROPHONES FROM THE COURTROOM (CORRECTED) Case No. 251403576 Honorable Tony F. Graf, Jr.
--	---

Defendant, Tyler James Robinson, by and through undersigned counsel hereby requests permission to file his overlength *Motion to Exclude Still Photographers, TV Cameras and Microphones from the Courtroom*, consisting of 262 pages.

In accordance with Utah Rule of Civil Procedure 7, good cause exists to allow and consider Defendant's overlength motion based upon the following.

Defendant stands accused of aggravated murder and the State has already notified the Defendant of its intention to seek the death penalty.

The motion details numerous violations of (or threatened violations of) Mr. Robinson's constitutional rights to due process, to a fair and impartial jury, to counsel, to be free from unreasonable searches and seizures, and to be free from cruel and unusual punishment, as required by the Fourth, Sixth, Eighth and Fourteenth Amendments to the United States Constitution and article I, sections 7, 9, 10, 12, and 14 of the Utah Constitution. These claims each require factual development and extensive legal analysis under both federal and state law. This analysis includes in-depth briefing on relevant United States Supreme Court cases, Utah Supreme Court cases, Utah statutes, and the applicable rules, including the history and application of Utah Rule of Judicial Administration 4-401.01.

The lengthy fact development and review of legal authority is necessary to fully brief the numerous claims in the motion. Each claim is likewise necessary to show the far-reaching impact of the violations and potential violations on this case.

Mr. Robinson recognizes that in granting this request, the State should receive the same latitude in briefing length and counsel will afford the State whatever length of time is necessary in order to respond.

Based upon the foregoing, the Court should permit and consider Defendant's overlength filing.

RESPECTFULLY SUBMITTED this 16th day of January, 2026.
