**NEWS MEDIA'S MOTION TO  
AMEND STANDING ORDER FOR  
RULE 4-202.04 NOTICE OF  
MOTIONS FOR CLASSIFICATION**

Case No. 251403576

Hon. Tony F. Graf, Jr.

---

*The Deseret News, Deseret Digital Media, Inc. d/b/a KSL.com, KSL-TV, KSL NewsRadio, KUTV 2News, the Radio Television Digital News Association, the Utah Headliners Chapter of the Society of Professional Journalists, The Salt Lake Tribune, Jessica Schreifels, St. George News, the Associated Press, Fox13 News, Millard County Chronicle Progress, KOAL (Castle County Radio), KUER-FM, Lehi Free Press, The Park Record, CBS Broadcasting, Inc., The New York Times Company, Fox News Media, and Law & Crime Network (all collectively,*

**News Media**) hereby move to amend the Court's Standing Order for Rule 4-202.04 Notice of Motions for Classification dated December 29, 2025 (**Order**) (Dkt. 267) to allow counsel for the News Media fourteen (14) days to respond to any motions seeking to close or restrict access to court records or hearings in this matter (**Closure Motions or Motions**).

### **ARGUMENT**

The Court's Order affords the parties the full fourteen (14) days provided under the Rules to respond to any Closure Motions, while giving the News Media just seven (7) days. To date, the News Media has been the only voice opposing the multiple Closure Motions filed in this case, so it is difficult to understand why they should be afforded less time to respond to Closure Motions than provided under the Rules. Some of the Closure Motions, including, in particular, those filed by the Defendant, have been quite lengthy and factually complex, such as the most recently filed Motion to Exclude Still Photographers, TV Cameras, and Microphones from the Courtroom dated January 16, 2026, which clocks in at 262 pages (Dkt. 304).

Requiring the News Media to respond within seven days to such Motions is unreasonable and will impair its ability to provide the Court with legal argument and advocacy to assist in its consideration of these important constitutional issues. Because both the State and the Defendant have fourteen days to respond to Closure Motions, providing the News Media the same amount of time will simply align all the response times and not cause any delay in the proceedings. Further, some Closure Motions may present issues that are not close calls and for which the Court would not benefit from oral argument, making them appropriate for resolution on the written submissions. Finally, any additional time is warranted given that the interests at stake are of constitutional magnitude.

In an attempt to resolve this issue without involving the Court, counsel for the News Media met and conferred with counsel for the State and Defendant and proposed a compromise of ten (10) days to respond to Closure Motions. The State agreed; the defense refused. Now that the News Media have been required to incur the time and expense necessary to seek the Court's assistance on this issue, and to put the litigants on equal footing, the News Media respectfully request that the Court afford the News Media litigants the same amount of time to respond to Closure Motions as it has provided the State and Defense – fourteen days.

A proposed form of Order is submitted herewith.

RESPECTFULLY SUBMITTED this 23rd day of January 2026.
