Attorneys for Intervenor Utah Attorney General

In the Fourth Judicial District Court
Utah County, State of Utah

State of Utah,
Plaintiff,

v.

Tyler James Robinson,
Defendant.

Utah Attorney General's
Notice of Intent Not to Respond to
Constitutional Challenge

Case No. 251403576

Judge Tony F. Graf Jr.

On May 8, 2026, Defendant Tyler James Robinson provided notice to the Utah Attorney General of his Motion in Limine to Preclude the Utilization of Article I, Section 12 of the Utah Constitution and Rule 1102 of the Utah Rules of Evidence to Sanction the Admissibility of Hearsay Evidence to Establish Probable Cause at the Preliminary Hearing (Docket #525). *See* Utah R. Crim. P. 12(i) (governing notice requirements for constitutional challenges). Having reviewed the State of Utah's opposition (Docket #557), the Utah Attorney General determines that a further response from the Utah Attorney General is unnecessary. *See* Utah R. Crim. P. 12(i)(4).

Respectfully submitted on June 12, 2026

Derek Brown
Utah Attorney General
